

**Interreg V B Adriatic Ionian Programme - ADRION
Joint Secretariat Electronic Monitoring System Officer (m/f)**

ANNEX 2

**How to register and submit candidatures
with ADRION eMS system**

1. Purpose

This guidance contains technical information on the registration for the electronic monitoring system of the Interreg ADRION Programme (eMS).

2. Technical information and system requirements

The eMS is a web application which can be accessed with **last or last but one** version of most common browsers (Firefox, Chrome, Internet Explorer, Safari).

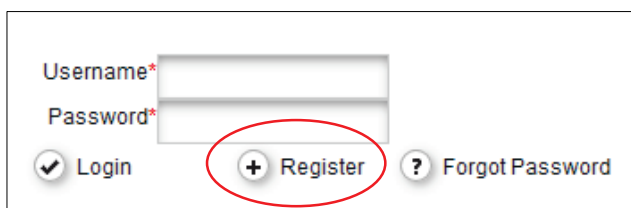

Firefox/Chrome are strongly recommended.

The functionality of the system follows the common standards of web applications for entering and submitting data.

When working with Internet Explorer, the option “display intranet sites in compatibility view” should be de-selected in the compatibility view settings of the browser (access Internet Explorer settings and then compatibility view).

3. Access and registration

eMS can be accessed directly to the following link: <https://ems.regione.emilia-romagna.it>. Applicants must first register by clicking on “Register” on the homepage and providing a set of credentials.
